

A photograph of a two-story stone building, likely a restaurant, built on stilts over a body of water. The building has a grey stone facade, several windows, and a balcony with a metal railing. A tall white mast is visible on the roof. In the background, there are other houses and trees on a hillside under a blue sky with clouds. The water in the foreground is slightly rippled.

RSWSC Inside Seating Guidelines

- **On arrival please take your seats straightaway. Please then stay seated at all times**
- **It is table service so we will come to you**
- **For carveries you will be called up a table at a time to collect your plate and served your carvery by the staff**
- **For fish night your drinks and food orders will be taken at the table**
- **Don't hesitate to ask staff for any extra condiments**
- **When it comes to paying your tab, the card machine will be brought to the table for you (currently we are not accepting cash payments)**
