Statement from Padstow Harbour 08th March 2021.

PHC have been following the Governments advice, guidance and legislation in respect to Coronavirus.

With the Prime Ministers statement on Monday 22nd February 2021 regarding the roadmap for the easing of restrictions, PHC would like to announce the following:

- The Padstow to Rock ferry service will resume March 29th 2021 (Government restrictions apply).
- Recreational vessels will be permitted the use of PHC moorings from April 1st 2021 (Government restrictions apply).
- Visiting vessels will be permitted overnight stay from April 12th 2021 (Government restrictions apply).

All of the above are permissible on the assumption that port users will allow for social distancing rules to be adhered to.

Although stay at home restrictions will be lifted, the Government continue to advise that people minimise travel up to and including May 17th 2021.

All of the above are subject to a review ahead of the Governments review of social distancing rules on June 21st 2021.

Thank you in advance for your understanding and we look forward to welcoming you all once again.

Kind regards,

Bryn Phillips.
