

## **RSWSC Fusions – Notes and Booking Arrangements**

### **Introduction**

The Club Fusions are available to all sailing members for recreational sailing and racing. Anyone who sails a Club Fusion is expected to treat it with care, as if it was their own boat.

The Club currently has five Fusions:

- 3 Standard Fusions equipped with jib and mainsail (PY 1300)
- 2 Fusion Pros equipped with jib, battened mainsail, gennaker and shrouds (PY 1275)

### **Booking Arrangements**

All bookings are to be made with the Club Manager.

The Fusions can be booked out by any sailing member of the Club including:

- family members (for themselves or their children)
- single and student members
- guests of members if formally signed in prior to sailing; note that guests may not take part in sail racing unless they have paid the appropriate fee (for example JCW or CW fee).

### **Provisional Reservations and Booking Confirmation**

Fusions can be reserved in advance by making a “Provisional Reservation”, so that members can confidently make holiday arrangements and plan the day on the water.

Provisional Reservations will need to be confirmed one week before sailing.

A discretionary donation towards the upkeep of the Fusions would be welcome and a donation to the RSWSC Fusion fund of £20 for each 3 hour session is suggested.

If any Provisional Reservations are not confirmed then the boats can be released for use by other members. Provisional reservations shall be limited to two boats per family.

### **After Sailing**

All boats when returned to the quay are to be cleaned, using the hose on the quay, mainsail rolled around the mast and returned to the storage tubes, gennakers neatly retracted and jibs folded, bagged and returned to the crew room.

Any breakages or problems must be reported to the Club Manager. The cost for any significant damage shall be addressed separately.

### **Competence and Supervision of Juniors**

All those sailing in the club boats need to be sufficiently competent for the sailing conditions (typically to RYA level 3 or equivalent).

All junior sailors are to be supervised by the adult member who made the booking, and everyone is required to comply with the club rules and sailing instructions.
